The Past

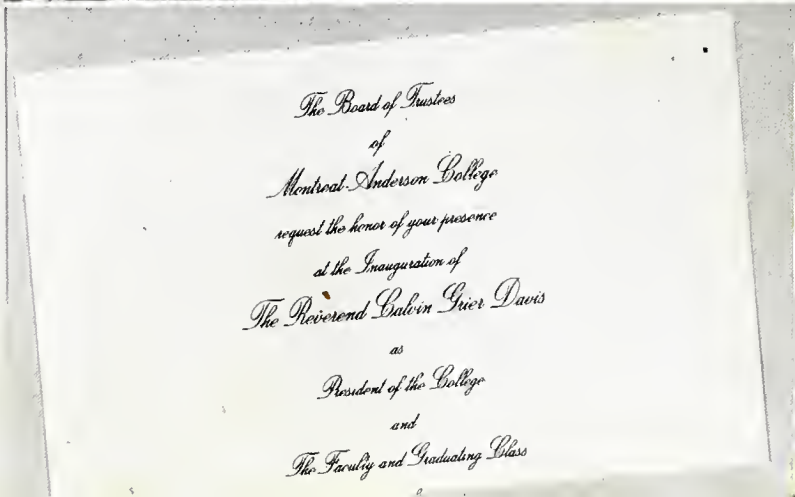
The Future



The Board of Trustees
of
Montreat-Anderson College
request the honor of your presence
at the Inauguration of
The Reverend Calvin Grier Davis
as
President of the College
and
The Faculty and Graduating Class

Alma Mater

How dear to our hearts will the memory be
of the days we have spent in thy care,

When within thy dear halls we have lingered awhile
All thy gifts and thy blessings to share.

So the memory of thee will ever remain,
While we think of each dear hallowed scene;

And the bonds of true loyalty, blest through the years,
Our affections will ever keep green.

Then, to thee, Alma Mater, we'll ever be true,
Though the coming years scatter us far;

And the ideals you taught us will ever be bright
Shining out as our life's guiding star.

We will cherish thy name wherever we roam,
And forever thy praises repeat.

Hail to thee, Alma Mater, our happiest days
Are the days we have spent in Montreat.

The Past

We Dedicate

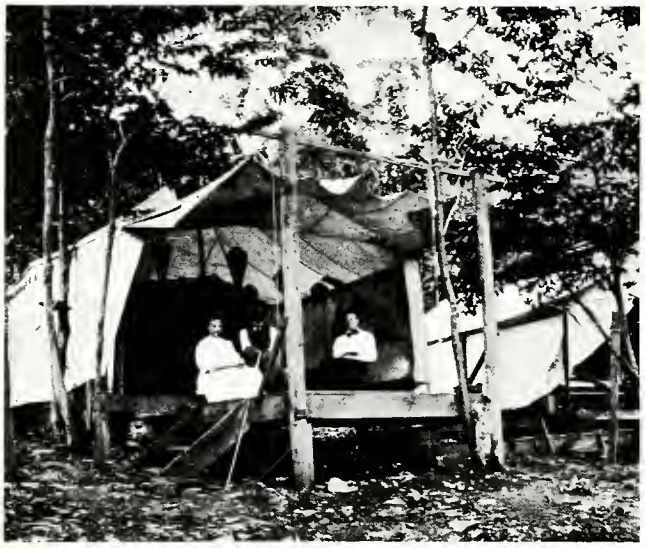
To

Mrs. R. C. Anderson

Whose love for Montreat has been shown in her actions.
Whose love for God has been shown in her life.
Whose place in the heart of Montreat has a permanent position.
To You, We of the *Sun Dial* Staff dedicate the Past of
Montreat and of the 1960 Sun Dial.

Montreat —

When Roosevelt the First held sway
From Plymouth Rock to Frisco Bay,
When autos all were cranked by hand
And fears of panic swept the land,
Where Swannanoa's waters rise
In vales like unto Paradise,
Our fathers here began to raise
Their notes of Calvinistic praise.



Like Abraham, they dwelt in tents
Till more substantial tenements
Could be constructed on these slopes,
Symbolic of securer hopes.

For long the old Montreat Hotel
Had served its generation well,
Affording shelter from the storm
And rest for all the travel worn.

The Alba, now, in proper white
Rose on an advantageous site
Above the Lake, well fit to be
A house of hospitality.

A meeting hall, with roof of tin,
Shut out the rain but not the din
And frequent speakers of renown
Stood helpless as the floods came down.

The Early Years

A power plant, hard by the stream,
Was moved by swiftly coursing steam,
And as each mountain day was done
The dynamo began its run;
That divers lights might brightly glow
In sundry homes, set high and low,
As though to demonstrate that light
Fells all the darkness of the night.

In early days the baseball field
Did countless classic contests yield;
But now, Alas! how sad but true,
'Tis but a softball rendezvous.

On Saturday, the Lake around,
Aspiring swimmers could be found,
While parents fond were there to see
Their sons perform aquatic'ly.

At length there came the days of stone
With buildings wrought in grayish tone,
Set to endure through times to be
With lines in sturdy symmetry.

And there are cherished memories, too,
Down through the years of those we knew,
Now far translated out the pale
Of time and tide and things that fail,
Beyond these hills of which we sing
Into the presence of the King.

Past fifty years Montreat remains,
Despite the touch of tireless change;
And may five further decades find
Her strong in purpose, soul, and mind.

In Memoriam

NANCY GAY ROBERTSON

November 8, 1941 – May 15, 1960

"Life on earth is but a loan."

How fortunate were we to share the presence of one who filled our days with sunshine, joy, and happiness. Her laughing eyes, her smiling face, her many pleasant ways, her willingness to serve with her hands or heart will live ever in the memories of her friends and classmates.

"Our loss, Heaven's gain."

The Present We Dedicate To Miss Evelyn Morris

A Teacher to us stimulating, effective and natural in presentation without affection, pretense or assumption . . .

A Lady whom we see as modest, generous, and incapable of inferior thoughts, always helpful, sincere and kind, exemplifying courage and spirit . . .

A Christian having shown herself to be simple in faith exemplifying in life and willing in service to God and man . . .

To You, we of the SUN DIAL Staff dedicate the Present of Montreat and of the 1960 SUN DIAL.

1. Miss Ward makes short work of this snow business. 2. My, what an intelligent-looking staff! 3. So these are those Thursday afternoon faculty meetings everyone dreads! 4. Some are only fond memories to our Seniors. 5. Ann, don't cut that piece so thin; just because you have to work with Mr. Stockton is no reason . . . 6. But Miss Morris, Miss Smith says, "Can't never did swim!" 7. The three famous Montreat smiles of Morris, Wilson, and Bullard. 8. They seem to enjoy our parties as much as we ourselves.

Bottom row: And who are you girls trying to impress with all the books? . . . Well, we must say, they are trying.

and it Snowed - and Snowed - and Snowed

1. To think a few months ago we were rock-hopping here! 2. Note the lifelike effects of the campus sweethearts . . . in snow. 3. If these girls in Montreat don't have a boy friend, they simply make one. 4. They're good to throw after you've had your fill. 5. Ready for a start down the famous, the daring, . . . the hill in front of Howerton. 6. Not Glen's car, it's Mr. Hardenstein's we're suppose to bury, girls! What a greeting we got on returning from chorus tour! 8. "Hey, time out for a second, you guys!"

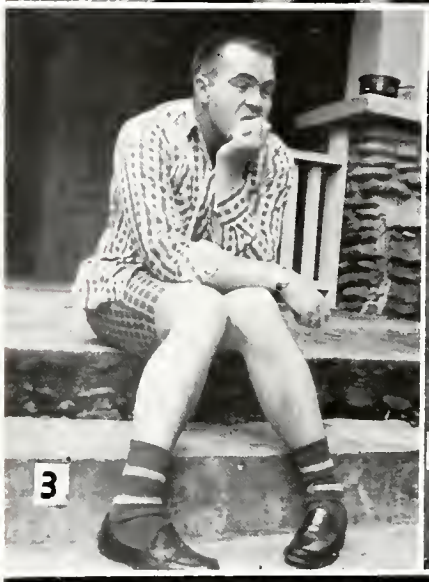
The '59 court watches the May Day Pageant. 4. Chorus tour was kept alive by Mr. Guy — and of course Alice. 5. What was the score of that faculty-boys game, huh boys?



Are "These" Our Leaders?

1. Our S.C.A. President in one of her wilder moments? 2. Even Vice President of the S.G.A. is ready to hang herself on the bulletin board after reading countless notices. 3. We won't mention what kind of special student John is. 4. Looks as if Lorene, W.R.A. President, would know how a target is used! 5. Beth, we told you the President of the freshman class did all the dirty work. 6. Even a May Queen has to take time out to "pretty up." 7. As House President, Charlotte knows all the tricks of slipping out.

TRUE SPIRITUAL VISION

MONTREAT COLLEGE
MONTREAT, NORTH CAROLINA

Dr. C. Grier Davis
President of Montreat Anderson College
Montreat, N. C.

Dear Dr. Davis:

In one of the messages which you gave to the students and faculty in our chapel services you spoke on pride. We have not forgotten what you said; however, there is one phase of our pride which we are proud to have. That is the feeling each of us has in knowing you and having you for our president. Speaking for each member of the student body, may I say that this warm feeling did not come by comparing you with someone else. Rather, this sense of pride has been gained by seeing and knowing you and by realizing the principles which you believe and for which you stand.

Some of us will leave and go to another school or to a job at the close of this year. Others will have the priviledge of staying here and working with you next year. But I am sure that neither distance nor time will crowd out the warm spot in our hearts for OUR PRESIDENT, DR. DAVIS.

Yours most sincerely,

R. Glenn Camp
